I DON'T RUN TO ADD YEARS TO MY LIFE  
I RUN TO ADD LIFE TO MY YEARS

**"Seniors!"** A very tall, gray-haired gym teacher kicks his right leg up to touch his two outreaching hands.

Our 2012 ECHO yearbook is dedicated to this gentleman. Mr. Robert Barnes is among the beloved physical educators at Enfield High. The students of our class agreed that he was the most deserving staff member for our yearbook dedication.

For the fourteen years Mr. Barnes has been at our school he has become extremely involved. He plays the role of Santa every year at the Holiday Assembly, he has coached our boys and girls Cross Country team for the last two years, he was the Master of Ceremonies at this year's Names Program, he is our MC for the annual pep-rallies and he teaches both P.E. and Teen Leadership. His classes are always well taken; students feel as if they are with an outgoing mentor, not just a teacher.

Mr. Barnes exemplifies school spirit. He is always the first to yell "Raiders!" when the school must cheer, he comes to every venue for every club, and we can count on him for positive feedback. He is a teacher who loves to make jokes and have fun with the students while keeping an extremely professional demeanor.

Mr. Barnes shares his past experiences with us so we know that we can confide in him for anything. He believes in being open, genuine, transparent and real with students. Students at Enfield High can relate to Mr. Barnes.

He inspires us to focus on the only two things he truly believes we have control over: effort and attitude.

He is a father of four boys (who are sometimes brought to school to make new friends). He is a runner and a teacher, but most of all Mr. Barnes is a great friend to the student body.

The class of 2012 would like to thank Mr. Barnes for all he's done for us. We will always remember you!

Dedicated to:

A day in the life  
Of me and you

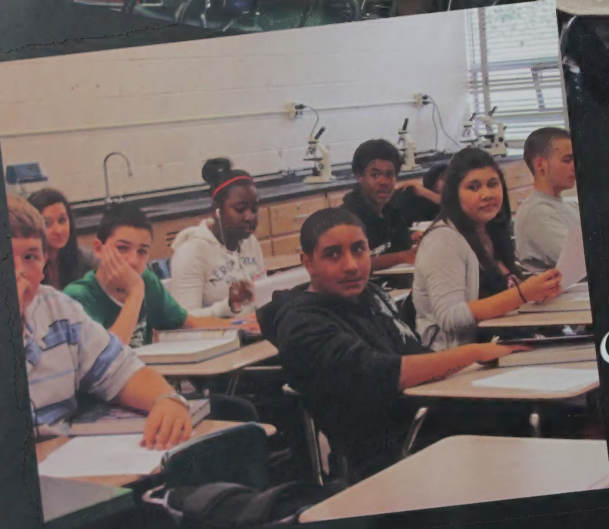

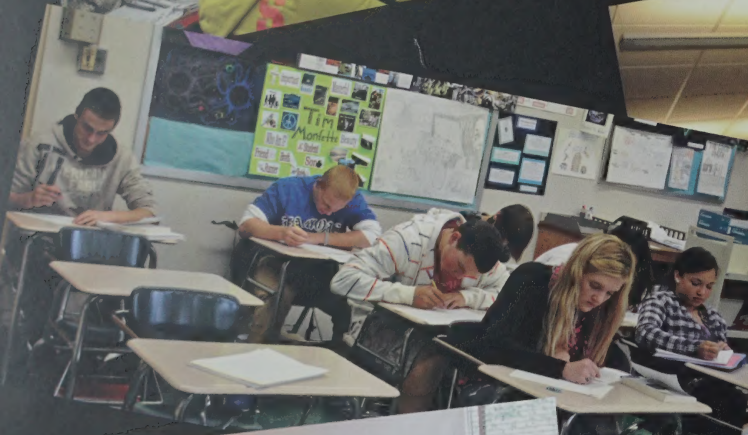

From seven a.m.  
To two o' two

FIELD HIGH SCHOOL

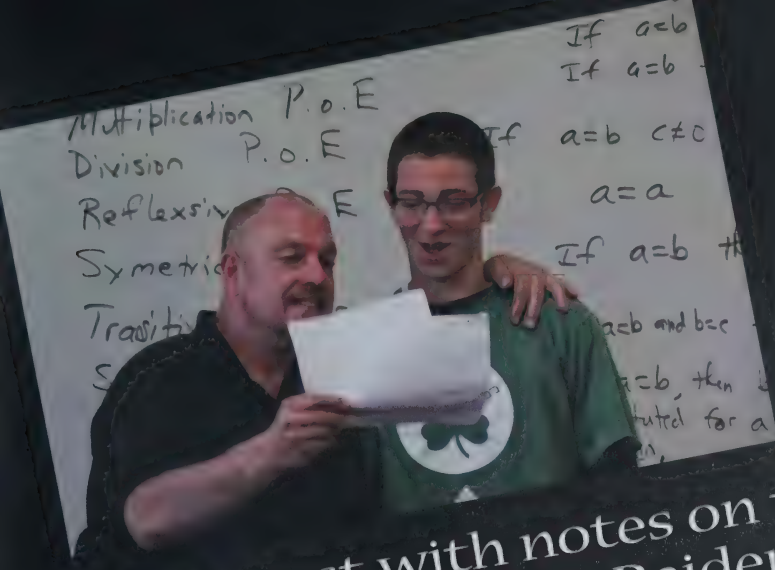

We walk into school  
And wow! What a sight!  
Vikings on the left  
A flash mob to the right

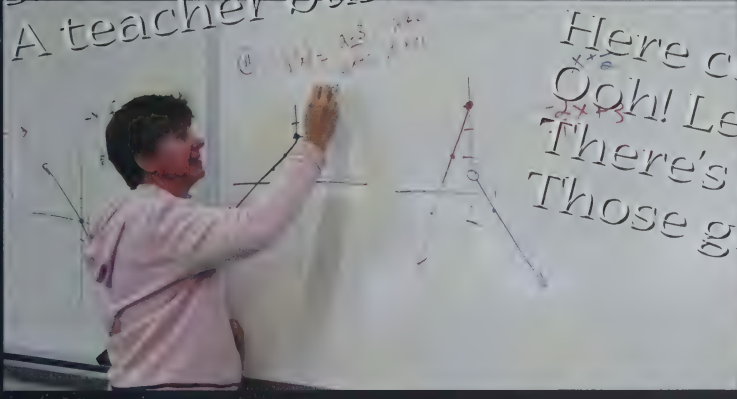

Give Sarge your coffee  
And pull down your hood  
Freeze for the pledge  
Like you know you should

Taking a test with notes on the board  
 Longey disrupts with Raider Rewards  
 Sitting in class and taking a nap  
 A teacher busts in with a math test rap

But we're a cool school  
Channel three thinks so  
Just check out  
Our recycled fashion show

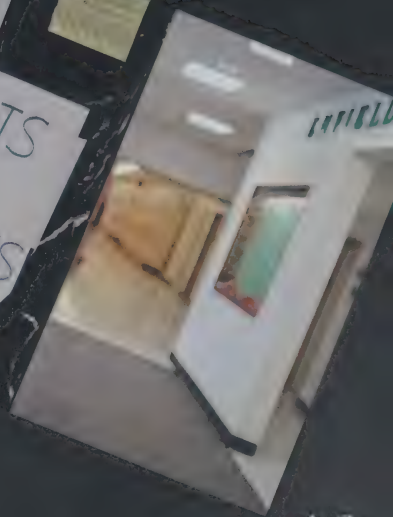

We know the mission statement  
The four R's too  
Hopefully HAC and Naviance  
Will get us through

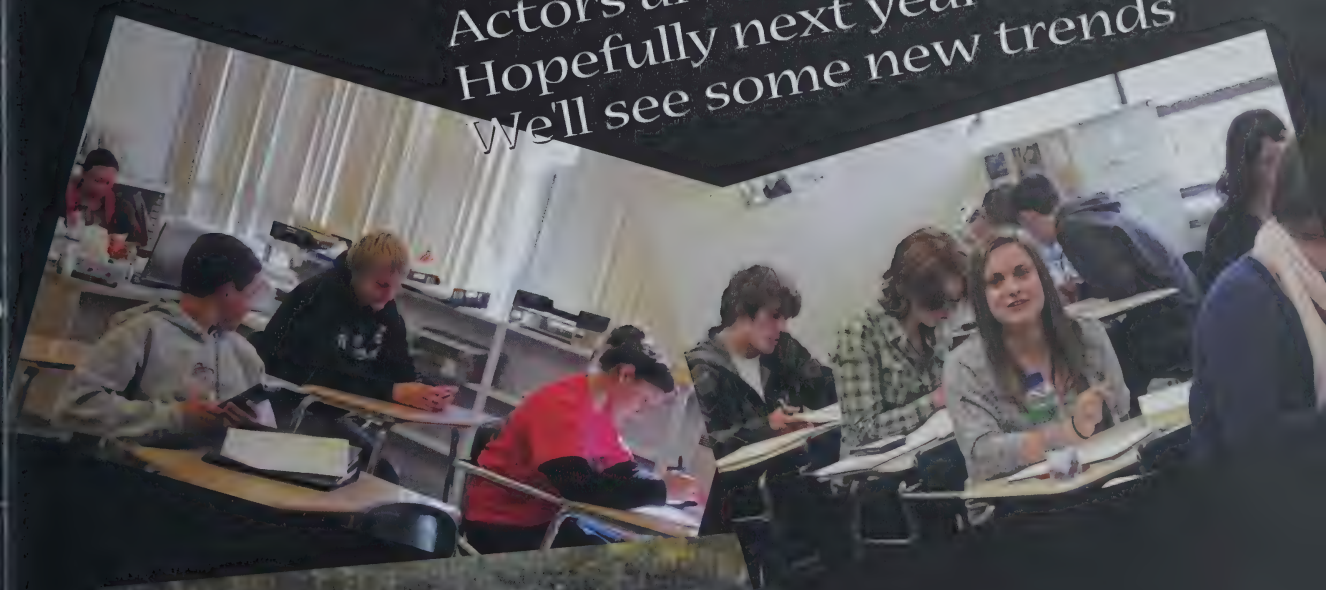

The bottleneck corridor  
Will make a pig pile  
The trek to the turf  
Will take half a mile

STUDENTS  
HELPING  
STUDENTS  
MEDIATION

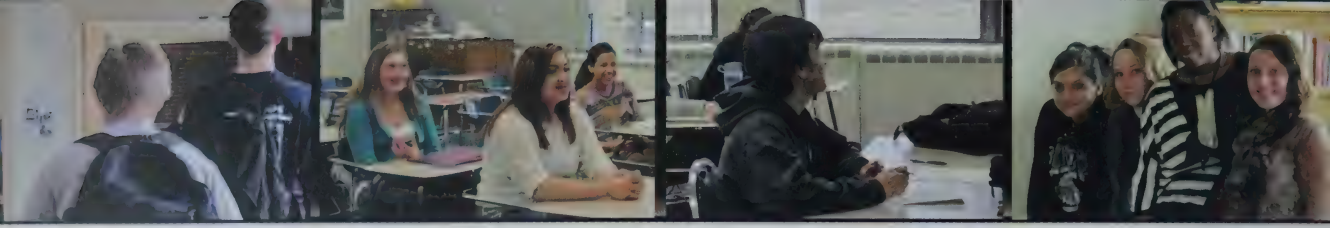

There were athletes and artists  
Actors and friends  
Hopefully next year  
We'll see some new trends

# Remember When...

We had a blizzard in October ?  
Halloween was canceled?  
There was a tornado in Springfield?  
There was an earthquake and tropical storm in one week?  
We were allowed to leave after exams?  
The Powder-Puff game was in October?  
Our Thanksgiving game happened on Thanksgiving?  
There was a Flash Mob in the Main Lobby before Christmas Break?  
We had our own hockey team?  
Trachone Preston shattered a school record?  
Lunch was only two dollars?  
Rebecca Black inspired us to love Fridays?  
There were 9 elementary schools?  
We had recess?  
We grew up with Harry Potter?  
Life was more relaxed?  
We didn't have an after school job?  
Lady Gaga happened?  
Words with Friends and Temple Run were popular?

# What if...

Freshmen came taller, not shorter?  
We had matching lockers?  
We could graduate on the turf?  
Looks didn't matter?  
Facebook was never created?  
There were no driving restrictions?  
Hair straighteners never existed?  
Energy drinks were not invented?  
The Whalers never left?  
We could live underwater?  
Technology never existed?  
The Mayans are right?

# Enfield High School

Faculty & Staff

**Congratulations  
Tom Duffy**

To the Class of 2012,

First of all, "CONGRATULATIONS" to all of "my seniors." I am very proud to be a member of the Enfield High School Class of 2012. This must mean that I'm finally graduating!

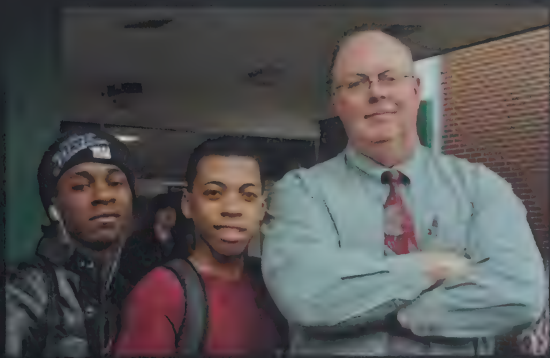

The 14 years with the great students of EHS and their families have been a privilege for me, and leaving with all of you this year is a special honor. All us '12ers will now be heading into the next phase of our lives. Every Ending presents chances for a Beginning. Yes, I know, it's a cliché. But it's true. After a great time of growth and learning here in Enfield, it's time to set sail, take the next step and seek new opportunities.

If you can wake up every day, look in the mirror and like what you see, you're about half way there. If you also like how you feel, then you're going to be successful. Your decisions, choices, efforts and achievements have gotten you where you are now. Each of you knows how you really feel about yourself. Your reputation is earned and contributes to how you are perceived. However, your character is who you really are.

I believe in all of you. I believe you have the depth of character it takes to be a true success. You have supportive families, abilities, interests and tremendous potential. Believe in yourselves. And remember, someone else's dreams will get you nowhere.

Thanks for everything. And, the Best to All of You,

td

Dear Members of the Class of 2012:

Thank you for inviting me to write a message for the Echo. Like you I, too, will be starting a new chapter in my life upon retiring after twenty years service as the Superintendent of Schools. Many of you I met at the Kindergarten enrollments in 1999. Others joined our school community over the following thirteen years. The time has gone quickly and I hope you took advantages of the opportunities offered at Enfield High School.

As I reflect on my time in Enfield I continually come back to the quality of the people who make up our school community. This would include your friends, family members, community members, teachers, administrators, and staff members. You have been fortunate to have the support of people who truly care for you. I hope you formed friendships at EHS that will last a lifetime. As you go through life others will look to you for encouragement and support. We know you will be there for them.

The school community is very proud of you for your achievements. You are commended for your hard work and efforts. We hope we have prepared you for the future and wish you success. Be a life-long learner and be kind to one another.

Best Wishes,

John Gallacher, Ph.D.  
Superintendent of Schools

Ladies and Gentlemen,

Your commencement ceremony provides our community with an opportunity to honor you and your high school achievement. This honor does not come without an obligation on the part of each graduate to fully understand the special abilities and intelligence that each of you possesses.

When you acknowledge and develop these gifts, you attain the wisdom that your education never ends and thus your desire to further develop your capabilities, character and values, deepens.

As you continue your journey of living, learning and evolving, pause occasionally to reaffirm your bearings. Chart your course straight and true with confidence in your special gifts and talents.

I am confident that you will continue to grow in your strength and willingness to serve not only yourself, but more importantly, others. It is when life presents us with the most difficult trials and challenges that we have the opportunity to define ourselves and determine what we believe. Remember that the core of our purpose in the words of Congressman Everett M. Dickson "... is to improve and strengthen the character of the individual man, to expand the belief that wise and good men will act well and wisely, that principles rather than programs will unite men in common causes for good, that personal righteousness and personal responsibility can alone bring light, and that the light of understanding will translate man's conviction into action for the good of all mankind."

I encourage you to participate in the excitement of continuous learning and to apply that learning to improve our world condition and to lighten the yoke that burdens all people from time to time.

Congratulations, and best wishes for a full and happy life.

Farewell,

Anthony A. Torre

Graduates of Enfield High School,

If this is your special year or you graduated about 50 years ago, we want to thank you. This school has been special for decades. Change is constant and allows new growth. Improving, coping with new challenges while maintaining a secure and confident program that betters the community and enriches our society, never gets old.

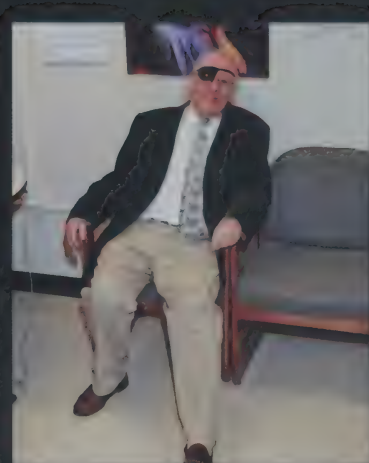

The challenge is always there. Reliable response is the joy of the group. We have been surrounded by dedicated people in a constant quest to be the best that can be attained. We have won more often than not. Sometimes felled, we have picked ourselves up and continued the quest.

We thank all of you that have been involved in the creation and continuation of our excellent programs and industrious people. We are all part of the noble work.

The struggle never ends. But in a quiet moment, reflect on success and thank the team.

Dr. Frank Taylor

Mr. Taylor, before  
he was known as  
"Doc," in 1971.

To the Wonderful Class of 2012,

Wow! You made it! For some of you, it was a quiet ride, while for others, it was a hard climb up a steep mountain. But, you're all here and receiving that coveted diploma as you graduate from Enfield High. Congratulations to all of you.

I feel as if I am graduating along with you since this is my last year at Enfield High as well. I have had the privilege to witness your growth and development from your first self-conscious interactions as entering freshmen, full of both insecurity and bluster, to the ever-powerful seniors demonstrating kindness, understanding and thoughtfulness.

For those of you who have participated in Unified Sports, the "Names" program and the R-word campaign, I salute you. You have made Enfield High a better place. As you think back on your time at EHS, I hope that I might be remembered as a teacher who provided students with the opportunity to give unselfishly of themselves to others.

I leave you with one final thought – You all have the capacity to make a difference. I have always loved the words of Winston Churchill... "We make a living by what we get, we make a life by what we give."

Congratulations, Class of 2012. Be strong enough to be kind.

Mrs. Hansen

# DECA

DECA has been an integral part of Enfield High School community for decades. The Club, led by Ms. Carol Stone, contributes to the Enfield High community and spirit while teaching valuable marketing, finance and business skills to its students.

In 2011-2012, DECA sold the green ribbons which were distributed around the school, as well as the beads for the basketball team's playoff run. The club members designed this year's must-have Senior Wear from scratch and hosted the popular Mr. EHS competition.

While the winter-like weather postponed the annual Powderpuff Football game from the fall to the spring, the show went off without a hitch on May 12th and benefited the Enfield Food Shelf during a time of great need.

Three seniors are receiving awards for their community service and academic achievements. Paige Moran will receive the DECA Student of the Year award, Ryan Sadowsky will receive the Marketing I Student of the Year award, and Justin Thomas will receive the Marketing II Student of the Year award.

Mr. Gorbolino(right) is the head adviser for NHS. His goal is to help every Society Member grow into becoming the best adult they can be.

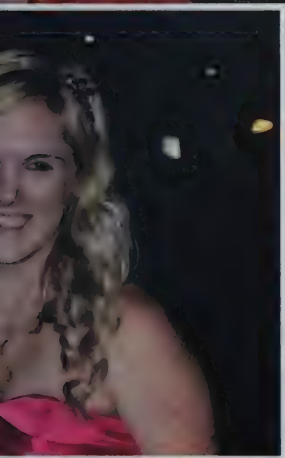

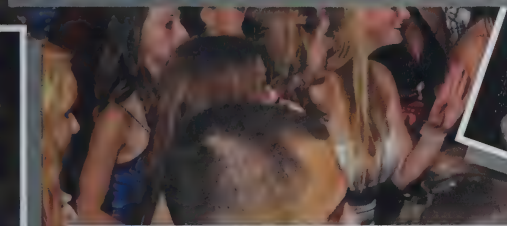

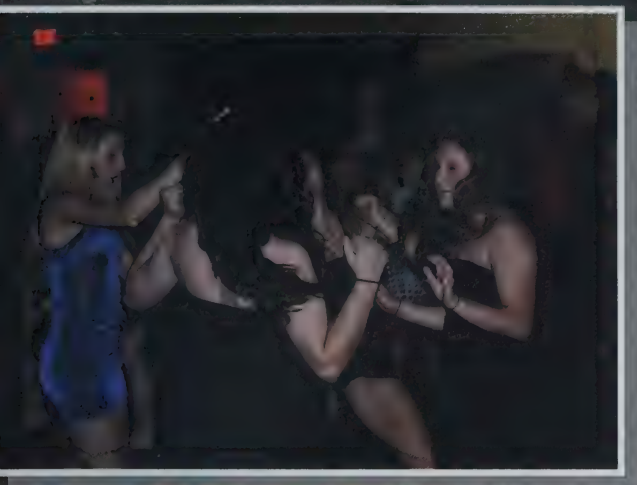

The Clothes Line project put on by NHS during the first semester was a huge success. The club raised over 100 articles of clothing for the less fortunate.

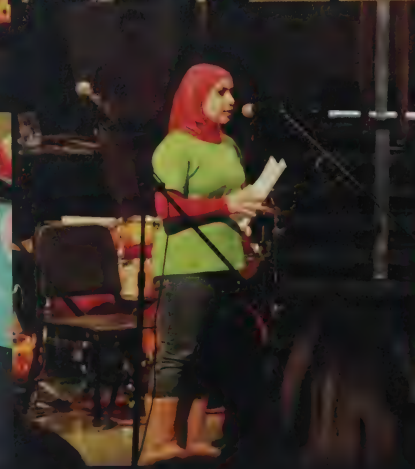

# Homecoming

# Holiday Assembly 2011

Mr. Duffy kicked off a longstanding holiday tradition with his corny jokes. The jazz band set the tone with "Mrs. Saint's" direction, then we watched the concert band perform "Twas the Night Before Christmas" with Sarge's narration.

The vocal ensemble sang "Carol of the Bells" and a Gaga hit. We later learned about December holidays in Egypt, the cheerleaders pepped us up for the holidays and our Peer Mediators sang how helping students means a lot to them.

Katerina Vyborova made our jaws drop with her piano skills, and Mr. Robbins taught us all how to "Work it like a Math Test." Mr. Chandler sang "White Christmas," and the senior class was gifted the song "The Heartache Can Wait" sung by Chelsea Orifice. Mr. Crane, Mr. Duffy and the Jazz Band rocked the house with "Rockin' Santa," inviting Santa and the dance team to take us home.

# Lampli

The EHS Lamplighters have been on stage for now 15 years. This club puts on four shows per year; the club strives for perfection in every performance. This season's shows included: *Curtain Going Up*, *Three Doors to Death*, *The Spell of Sleeping Beauty*, and *Cinderella*.

*Curtain Going Up* was a great

choice for the lamplighters this year. The show easily lends itself to help a younger cast grow as

year was the annual Children's Theater. They performed the classic fairy tale: *The Spell of Sleeping Beauty*. This show was a huge success. The Lamplighters worked extremely hard to make an interesting set for the show. This show helped the actors learn how to play to kids.

An interesting thing about *The Spell of Sleeping Beauty* was that the cast and crew were given opportunity to travel to Enfield Street Elementary school to perform for the first and second graders.

The Lamplighters' last show this year was Rodgers and Hammerstein's version of *Cinderella*.

This show was a great send

off for the seniors who have been in drama for most if not all of their high school careers.

The 2011-2012 season was a great success for the Lamplighters. The seniors will be sorely missed, but next year brings promises of yet another great season.

Seniors Michaela Hanjack, Stephanie Stauble, Eleanor Lloyd, and Nick Giorrdano show off their crew shirts for the camera.

actors and actresses.

The Lamplighters chose this show since the club welcomed ten new freshmen this year, in addition to the twelve returning sophomores. The show turned out to be better than expected and our cast and crew were very proud of their fall production.

*Three Doors to Death* was also a show that needed a learning curve. Our club enjoyed seeing the stage manager of our club take the lead role of the inspector in this year's Dinner Mystery Theater. This show traditionally allows the audience to witness a death on stage, and then figure out "who dunn' it!" This year, however, the audience did not only guess who the murderer was but they decided who it would be! This show raised a lot of money for the Lamplighters and the audience as well as the cast had a great time!

**Hoo-Hah, you wish you were a Raider!**

**All of our Raider sports teams have had an awesome season. They gave it their all and made us proud! They showed all the other teams why Enfield is the best.**

**We bleed green!**

The Enfield High basketball team has been nothing short of a dynasty in the NCCC the past three years, not only being the regular season champions but having also been the tournament champions. This year's season was no different, setting a new standard for the years to come.

"The team was made up of guys who were all in it for a common team goal of getting better every day and performing to the best we could every game," said Head Coach Cory O'Connell. "The seniors were great leaders for this year and I hope their legacy will stick with the younger players to have them continue to strive for excellence."

After a perfect regular season and a conference championship, the Raiders found themselves ranked number one overall in the class M state tournament. During the first two rounds, the team advanced with a 70-42 win over Rocky Hill, and a 75-64 win over Weston respectively.

With a perfect record of 25-0, the Raiders went into the quarter final round looking for a second shot at reaching the semis. Unfortunately the dream was cut short by a buzzer beater from Ledyard's guard, John Rainy.

Despite falling short of a state title, the team had accumulated many individual and team awards. Three Raider starters, Paul Lima, Trachone Preston and Hugh Lindo were honored during the conference championship. All three were named to the NCCC all conference team and Lindo was also named Tournament MVP.

"Although we did fall short of our ultimate goal of winning a state championship, the guys gave me everything a coach could have asked for," said O'Connell. "They played hard. They played unselfish. They rooted for each other. It's sometimes hard as young men to put your personal stats aside for the betterment of the team but every player did that which is why we were so successful."

Senior guard, Trachone Preston, has found his way into receiving multiple awards for his unbelievable season. Preston was named to the Coach's All Star Game as well as the Bridgeport JCC Schoolboy Classic. At the All Star game he was honored as the game's Most Valuable Player. During the season Preston also surpassed Patrick Hasiuk as Enfield's all time leading scorer.

Going into the 2012-2013 season the Raiders are losing five seniors, four of which who started. Despite the huge loss the team is looking forward to the next season with the goal of a fourth consecutive NCCC title.

After three years of frustration, the Enfield Girls Basketball team was able to win their first game of the 2011-2012 season in dramatic fashion. The final score was 46-45 against longtime rival Stafford.

The stands were filled with eager students, family members and other fans anxious to see if this game would break the losing streak. "Once the final buzzer sounded the team and fans rushed the floor. It was an incredible feeling and one that I will never forget," said Head Coach Meg Willis. "That single event shaped the entire season."

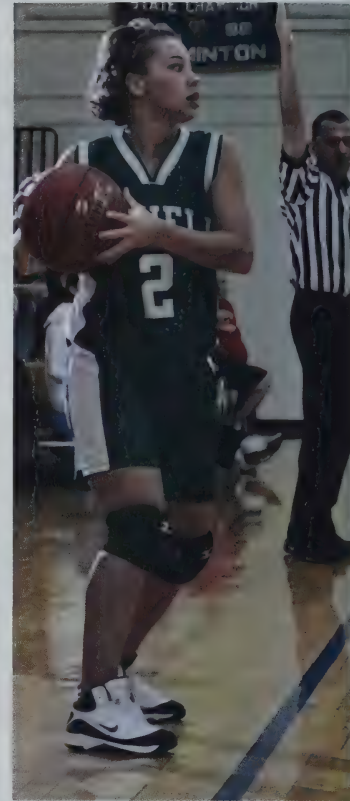

"My goal was to completely change the outlook of the team. I wanted to teach the girls the game of basketball, learn how to play like a team and have fun while doing it! I can honestly say I accomplished my goal and was fortunate enough to have gained an amazing group of student-athletes."

The team's final record was 3-17, but those three wins meant more than the number signifies. One of those wins was against Wilcox Tech, a team that was 11-7 coming to Enfield. They left town 11-8.

Several of the team's losses were close, and according to Coach Willis, "We shocked many teams and coaches in our "new" way of playing. We bonded as a team and become very close to each other."

Most Improved Players included Taylor Maier, Sam Hellyar, and Kristen Serafin. Rachel Kaliff was MVP. Awards also went to Tiara Johnson, Maggie Richards, Tori King and Summer Smith.

After frustrating past seasons, things are looking up for Girls Basketball. "Now that the girls know what kind of coach i am and what to expect, next year should be nothing but more progress."

*"We'll go to any length to show our strength.  
Dedication and pride, keep the Raider spirit alive!"*

It's easy to say that the cheerleaders know to start a season off properly. They brought home a first place trophy and a "Most Spirited" award from Oxford High School's Spirit Spectacular competition. Then they went on and placed second at The Windsor Warrior Challenge and NCCC. After that they performed an amazing routine at NECA, placing third out of eleven total teams.

The cheerleaders finished off their great season competing at States where they placed sixth out of a total of sixteen teams. "This season has been the best one yet," said Winter Captain Charnee Ruffin. "I have cheered on this team throughout all of high school and I have never been so proud and happy to be on the team. We were fierce raiders!"

The Cross Country team found its strength in numbers in 2011. With 25 total team members, the team enjoyed the largest participating number of athletes in at least ten years. "Building a team starts with increasing participants, building on each individual's success and combining the stepping stones of Numbers, Attitude, and Effort into a TEAM success," Coach Barnes reveals. "Our numbers will increase, and with the numbers comes an excitement, a dedication, a passion, and a desire to individually get better. The future on Enfield Cross Country looks very promising."

The top Boys runner for this year was Jacob Burnham (senior), and the top Girls runner was Chelsea Orifice (senior). The expected top Boys runners for the next year are Sean Richard, Ian Turnberg, Ben Bedard, Kyle Baker, Darien Atkins, Montana Sibilio, Jake Boyle, and Mark Falcone, and top Girls runners are Megan Rund, Stephanie Malicki, Sydney Chesworth, and Karissa Grimshaw.

# Field Hockey 2011

The field hockey team had their share of challenges this season, having won one of 15 games, but that didn't keep the girls from having a great time making friendships and growing stronger from their experiences. It did not matter who won or lost. They never gave up and played "a heck of a ball game," says Coach B. With only one experienced senior, it was quite a young team and with only 16 players, a small team too, but they worked hard to improve their skills and finally win the last game of the season.

Considering Enfield High's football team lost 21 of the 22 starters from the previous year, the team definitely stepped up their game in 2011. This past season, the varsity football team opened up the season with a victory over Granby, followed by six other wins. Although the team did not have the infamous rivalry game against Fermi, the team gave the fans and the students a lot more to talk about.

In the game versus Stafford, time was expiring as a Hail Mary touchdown pass from Tony Romano to Adrian Crichton tied the game at six points with 2.7 seconds left. Anthony Trotta then kicked the extra point to seal the 7-6 victory.

Four players made all conference, including seniors Hugh Lindo, T.J. Diggs, Tony Romano, and Anthony Trotta. Coach Jay Gaucher said, "Next year's team has a good returning core, and has learned many lessons from this senior class, including to never give up, and don't short change yourself."

The Enfield and Fermi hockey teams combined for the first time during the 2011-2012 season. Head Coach Frank Genovese led the combined team through its growing pains, and the team finished the season 9-12 overall with an appearance in a state tournament qualifying game.

"The first season of the Co-op between Enfield and Fermi's hockey program's was successful," said Genovese. "One of the goals of our season was to qualify for the State Tournament and we accomplished that." The team competed very hard, whether it was in practice or in games.

The team is losing four seniors. "Our seniors were a large part of our success all year long," said Genovese. "They were a solid group of student-athletes that will not be easily replaced."

The team is looking forward to next year, when they'll make a run at the state title with more experienced underclassmen.

The indoor track team faced an uphill battle this season, as a very young team worked to develop their performance. With 13 sophomores and nine freshmen, the team's inexperience kept it low on the score sheets. However, many individuals placed very well. Freshman Rachel Koblosh placed 17th at the NCCCs for the girls' 55m dash, Junior Ian Turnberg placed 11th in the boys' 1000m run, and Senior Delaney Higgins placed 11th in the girls' 55m hurdles.

Seniors Ryan Sadosky, Kyle Casey, Patience Bearse and Reece Williams notched personal records in their NCCC events. These four made it to the State Open, where Bearse broke the school records for the girls' 600m run with a time of 1:43.86.

The team has great potential for success, even though it is still developing. Many underclassmen will return next year for another run at success in the various invitational events.

*It's not whether you win or lose, it's how you play the game.*

This year's soccer team was a great pleasure to work with for coaches Mancuso and Kosinski. Even though the team's record was not as successful as they had hoped, this year's team brought something different to the team dynamic.

From the start of the year back in August the boys grasped the concept of teamwork and family. This made the coaches' responsibility easy, to both teach and direct the boys to the goals they were attempting to accomplish during the season. The captains (Kyle Casey, Dan Critz, and Tony Perrone) did a good job communicating to the team during the season to keep up the boys' spirits. The seniors did a good job setting an example for the younger kids on the team.

Even though the team is losing a lot of players, Coach John Mancuso and Coach Ed Kosinski hope they can get the same family feeling next year with the incoming freshman and the returning players.

The 2011 Girls Soccer team finished the year with a strong 9-6-2 record, but lost 1-0 in the first round of the Class M State Tournament to North Branford. Highlights for the season included a 1-1 tie to previously undefeated Granby and a 2-1 loss to the eventual Class L State Champions, Avon. The team was led by Senior Captains Amanda Leonardo, Kendell Martin and Patience Bearse. Bearse was selected to the Class M All-State team and Junior Sierra Trzepacz was selected to the NCCC All Conference Team. Woah! So much pep! What made it so memorable? What didn't?! Everything from the fabulously energetic Mr. Barnes MCing it all to the dope dance team dropping it like it's hot, this pep rally was, truly, off the hook.

It got kicked off with the school band playing loudly and proudly as Ms. St. Sauveur-Dandurand wildly conducted it all.

We heard all about the awesome seasons our sports teams had, all the victories and celebrations as well as the crushing defeats. But through and through, smiling faces lined the seats as the pep rally progressed.

The exciting class vs class games were nail bitingly exciting. The dodge ball tournament, as always, was a war zone with red balls a-fly as students dodged, ducked, dipped, dived and dodged.

And of course the crushing victory the freshmen had over the seniors in the tug-of-war. Who'd have thunk it?

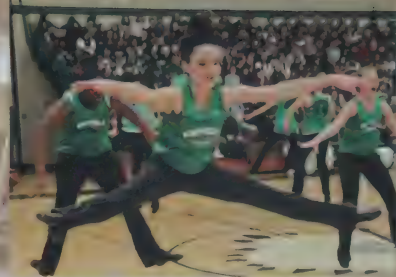

It was the clash of the titans when the knockout game of basketball had it's final few contenders that made each hoop with pinpoint accuracy. After the pep rally the basketball energy was still high as the boy's basketball team played in the quarter finals. Mr. Barnes was quoted saying that "there was over a thousand people there." There was so many people they had to stop people at the doors, people had to stand, and even though we may have lost, the burning passion in our hearts was still bright.

Although the Girls' Volleyball team faced uphill battles in 2011, the team's record does not reflect the kind of team they had. They worked really well together. Captains Jessica Kaplan and Jenn Novak really took charge of the team. They had a few close matches, losing in five sets, but the biggest win of all was beating Fermi in their last game of the season after that awful winter storm. They had lost to the Falcons earlier in the season in five sets, but beat them this time in four sets.

Key players included middle hitters Jenn Novak and Macy Peach, and outside hitters Erika Mott and Devan O'Brian. The team's libero, Mariah Vella, really improved over the season. Jenn Novak was awarded M.V.P., Jessica Kaplan was awarded Best Server and Coach's Award, and Erika Mott was awarded Most Improved. Some prospects for next year include Macy Peach and Summer Smith, both middle hitters, along with Morgan Doiron, the team's setter.

With a young group of wrestlers, the Enfield Raiders Wrestling team took the opportunity to improve on last season's results.

Senior Anthony Perrone, weighing in at 145 pounds, led the team with 31 wins, 22 pins, and an NCCC title. Sophomore Jarret Maloney also stepped up this season to win the NCCC Championship at 132 pounds.

The team won only five dual meets as a team, but there was improved individual success over last season. Many young underclassmen filled this year's roster, but they didn't just stand on the sidelines. They took charge, they trained, and they gained valuable experience for coming seasons.

"We are still a young team, and we hope to build on this year's momentum," said Coach Brian Olsen. "If we can return all our wrestlers next season, we are hoping to win at least 10 dual meets."

Senior captains included Perrone, Ryan Rader and Jack Cimino.

September 21, 2011, began a life changing experience for several Enfield High School students. It was the beginning of an emotional roller coaster, one that we'll never forget. For three weeks we opened our hearts and homes to a group of strangers that later became a part of our families. This program has truly been a remarkable experience. Together we laughed, cried and created unforgettable memories. On October 14, 2011 students who made a connection gathered under the EHS canopy to say their goodbyes. For those who went to Spain in April this wasn't goodbye, it was "hasta luego".

April 5, 2012 to April 27, 2012, was a life altering experience for Brandon Andexler, Dennis Conley, Kaitlyn Hayes, Desiree Hernandez, Robert Hunt, Rachel Kaliff, Jessica Kaplan, Wendy Paul, Nathan Peruta, Leah Powell, Samantha Richards, Stephanie Stauble, Mariah Vella, and Alexys Zaine as they traveled abroad to Spain with Sra. Dalpe, and Srta. Trichilo. The group stayed with Spanish families, attended school- first Colegio Delibes in Salamanca and then our sister school, I.E.S. Ribera de Castilla, in Valladolid- and lived the life of a Spaniard. This time the goodbye seemed so much more final because as they returned back home, they weren't sure when they would see each other again.

## Graduation is just the start of your education.

Congratulations, graduate. You're in the real world now. Filled with big choices and heavy-duty decisions. You're about to discover that learning is a lifetime pursuit—whether it occurs in college, on the job, or through life experience.

So start out right. Make a financial decision you can live with for a lifetime. If you are not yet a 360FCU member, become one today. You and your family\* are all eligible to join. And we're right there in your school. Then you can handle what lies ahead, because we'll be there to back you up—with inexpensive loans, better ways to save, more convenient financial services.

So make 360FCU membership the graduation gift you give yourself. And take your next step with greater confidence.

*It all revolves around you.*

\* Family members may include: spouse, child, sibling, parent, grandparent or grandchild, stepparents, stepchildren, stepsiblings and adoptive relationships.

## Future Memories

Here we are half grown

Ready to explore

Eyes have not yet seen all they were made for

Too many memories made and too many to come

Whether they be good or bad

Who knows but you, yourself

You've left your imprint on Enfield High

Now it is time to make an even bigger one on Earth

They say life is a journey

Many challenges to face

Ready for a new identity

Let's not be thinking of the could of beens

Strive for your goals now

Don't shut yourself away

You are alive

You have a voice

So use it

Where ever you may be or have to face

Try not to lose your ties to this town

All the many friendships you've made and hope to keep forever

As you go on to learn

May you always be learning

Enjoying your chosen path

Earning your way through life

And keeping a healthy smile upon your face

A life well spent to its fullest

I hope you'll say right before you die

A life with family, friends, memories and risks

The thought of being a unique star in this world

Brings you to your graduation day

You can take your diploma

And with that you hold your future

Get ready for flashbacks as you are about to jump on

I'd like to send a shout out to the seniors of  
this year's basketball team. You guys did  
great and made everyone proud.

Also, a shout out to all the Parkman crew.  
We all have to chill again like old times and  
meet at HQ after you guys graduate!

# In Loving Memory of Dylan and Stephanos

After twelve years of school, we have made lifelong friends. Unfortunately, we lost two of our friends along the journey. Dylan "D" Mayotte and Stephanos Rodriguez stay very near and dear to our hearts.

Even though the loss of our great friends is tragic, we have become stronger in their absence. With Dylan and Stephanos in our hearts, it's like they were here with us throughout our senior year and made it through it all.

We miss them deeply and wish they could have made it to graduation with us.
